- Manifolds and Mild Steel Systems - 24 Month Guarantee***
- Sports Catalyts - Limited 6 Month Guarantee***

Thank you for choosing K-Tec Racing

We guarantee that any part supplied by us will at our discretion be repaired or replaced free of charge in the event of an exhaust part which fails solely because of defective materials, faulty manufacture or as a result of corrosion.

The purchasers statutory rights are not affected by this warranty.

CONDITIONS

- Engine mounts must be checked before exhaust is fitted
- In the event of any problem you are requested to contact the dealer where the exhaust was purchased
- Any part which is subject to a claim must be returned to us promptly at the expense of the customer with:
 - 1) A return note including details of fault (this will be sent to you on request)
 - 2) Copy of proof of purchase.
- The failure of any part resulting directly or indirectly from any of the following is specifically excluded from the guarantee:
 - 1) Misuse,
 - 2) Accident
 - 3) Faulty engine mount,s hangers or clamps
 - 4) Excessive vibration
 - 5) Internal explosion or backfire.
- Non-standard use, or the fitting of the part to a vehicle for which it is not intended
- We accept no responsibility for the cost of carriage or in any work involved reinstalling a new or repaired part
- If there is a fitting problem, the exhaust must be returned unused and undamaged for inspection. The warranty will be invalidated if the part is modified any way either by excessive force or heat
- Exhaust hangers, engine mounts and clamps must be checked at least once every 12 months
- *This guarantee applies for as long as the product remains in the ownership of the original purchaser.
- The fitting kit is not covered by this warranty.
